- The **institute, formed in 1904** is the **global professional accounting body** offering the “Chartered Certified Accountant” qualification. Association of Chartered Certified Accountants (ACCA) is world's leading and fastest-growing international accountancy organisation with 2,19,000 members and 5,27,000 students worldwide.
- Not only does ACCA institute work with more than **7300 approved employers** across the globe but ACCA professionals also get preferential immigration status to Australia, Canada, UK, New Zealand, Ireland etc.
- ACCA is **recognised in 78 markets** and has more than 80 global accountancy body partnerships. ACCA courses help candidates to make career in the field of accountancy, taxation, audit, internal audit, pricing analyst, etc.

What ACCA member does

- Apart from accounting, ACCA members are **highly proficient with IT and numerical skills**
- They can work in various departments like **accounts, auditing, compliance, finance, tax, fund management and merger & acquisition.**
- ACCA teaches business and strategic skills to candidates so that they can:
 - **apply international accounting standards;**
 - **create wealth** and increase **shareholders value;**
 - analyse **information for business decisions;** and
 - **manage and mitigate risk**
